Now is the time to be bold

As I sat contemplating the devastating effects of the Covid injections, my heart went out to those who were forced by this present government and certain employers into taking them - especially the many who have been adversely affected.

I would like to remind you that the CDP warned about the dangers of this procedure right from the outset. Many on our social media sites posted credible proof - by internationally renowned experts - of the dangers of allowing oneself to become a guinea pig, and be injected with an untested and untried substance.

We have for some time now become more and more aware of the activities of the WEF (World Economic Forum) and the NOW (New World Order). Again, the CDP is at the forefront of exposing their plans for humanity, earning of a time of extreme persecution of the Christian Faith.

Now is not the time to allow fear to grip your hearts. Now is the time to 'look up for your redemption draws near'.

Remember the song by Word Music (Morris Chapman):

*Be bold, Be strong
For the Lord thy God is with you
I am not afraid, I am not dismayed
Because I'm walking in Faith and Victory
Come on and walk in Faith and Victory
For the Lord your God is with you.*

Well NOW is the time to put into practice what you sang with such gusto. NOW is the time for the Ecclesia - the Body of Christ - to come together and take a bold stand against

'... PRINCIPALITIES, against POWERS, against the rulers of the darkness of THIS WORLD, against spiritual wickedness in HIGH PLACES.'

The CDP is inviting you to join us as we together unfold God's Plan for South Africa.
